## NATIONAL NIGHT OUT 2020: TUESDAY, OCT. 6TH

The City of Evans' National Night Out has been rescheduled for Tuesday, October 6th.

"National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community," said Officer McClatchey. "Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances."

Details for the locations of NNO are still being worked out in the wake of the COVID-19 crisis, but as of now the Evans PD will be hosting at least one site at the park at 15th Avenue and 34th Street.

Those interested in hosting an event in their neighborhood are encouraged to contact Officer Teresa McClatchey at 970-590-1504.

**SATURDAY, OCT. 24TH 10-2PM**

accepted: needles & sharps,  
Mercury (thermometers),  
oxygen containers,  
chemotherapy/radioactive  
substances, pressurized  
canisters, illicit drugs***

# TAKE THE SURVEY!

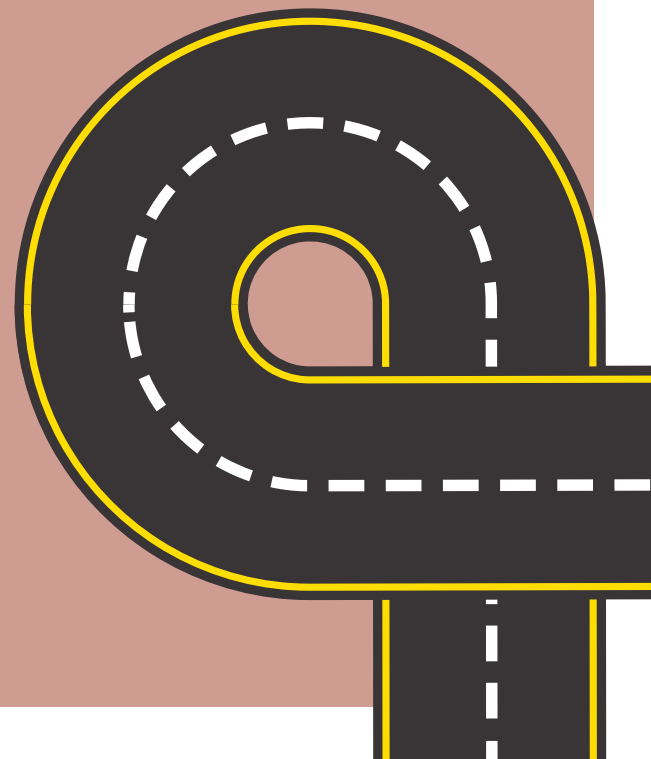

TAKE SURVEY

The Evans Master Plan is a strategic guide book to provide the City of Evans with a vision for future growth. The Master Plan will provide a snapshot of what Evans is today as a community and where we want to go in the future. The Master Plan will be used as a vision for our community's future. Developing a Master Plan takes time, approximately 12 – 15 months, in fact. During this time, we will be looking for input from the community.

We will be releasing surveys related to different topics on the first Monday of every month. After each survey, we will actively share our findings on our website.

To find our monthly survey and results frequently check our Comprehensive Plan Page at: **[www.evanscolorado.gov/masterplan](http://www.evanscolorado.gov/masterplan)**

# EVANS CHAMBER, GREELEY/EVANS MOOSE LODGE AND CITY OF EVANS TO HOLD FUNDRAISER FOR INNOVATIVE FOODS

---

---

Innovative Foods is a small business staple in the Evans Community. Unfortunately, the meat processing plant suffered a fire in April of 2020 and forced them to completely rebuild their plant located on the east side of Evans. As a result, the Greeley/Evans Moose Lodge, along with the City of Evans, the Evans Police Department, and the Evans Area Chamber of Commerce is hosting a fundraiser for Innovative Foods on Sept. 4th..

The event begins on Friday, September 4th at 7 pm. Pellegrini Cucina Italiana will provide an Italian dinner with two homemade kinds of pasta and sauces, salad, bread, and dessert. A silent auction and live entertainment by Judy Holding Wilson will be included for \$30. Participants may dine in-person or opt for curbside pickup.

Dave and Tami Ellicott opened Innovative Foods in Evans in 2007 as a beef, lamb, and pork custom meat processing plant. The Ellicott's have been generous supporters of many non-profits and youth organizations in the area. Dave Ellicott expressed a desire to put aside money for the benefit of his employees either as an emergency fund or an expanded break room in the new building.

Carlo Pellegrini, owner of Pellegrini Cucina Italiana, said he wanted to help the Ellicotts. He had a restaurant fire in March of 2019. He understands how long the recovery takes.

For tickets or to donate please call 970 339 5715.

# GROUNDBREAKING!

**Greeley/Evans School District 6 celebrates the construction of the Greeley West High School. The \$120 million dollar complex will open in 2022.**

## Quick Facts:

**Approximate cost: \$120 million**

**Square Feet: 280,000**

**Capacity: 1,800 students**

**Opening date: 2022**

# FALL CLEAN UP SCHEDULED FOR OCTOBER 3-4 & 10-11

The 2020 Evans Fall Clean Up will take place across two weekends: Saturday and Sunday, October 3rd & 4th; and Saturday and Sunday, October 10th & 11th. The site for the Clean Up will once again be at 3323 1st Avenue in Evans, and will last each day from 8am-4pm.

All residents of the City of Evans can participate. Evans residents who pay for their trash service through their utility bill will also receive one free voucher. Residents must bring proof of Evans residency with them to the Clean Up.

Additional vouchers may be purchased at the event for \$10 per load (cash only). They can also be purchased in advance at the Evans Community Complex during normal business hours (M-F, 8am-5pm). Trailers and loads larger than one pickup bed will require multiple vouchers.

Waste tires will be accepted for an additional fee of \$2 per passenger vehicle tire without a wheel. All other tires will cost more. The second lowest fee will be \$7 for passenger vehicle tires with wheels.

Items not accepted include: electronics, refrigerants, household hazardous wastes such as paint and cleaning chemicals, and a variety of other items requiring special disposal. Recycling guides will be available by request or at the event for a full list of items we cannot accept.

# AUGUST'S YARD OF THE MONTH

Congratulations to Dana Morgan of 2107 36th Street for winning the Evans Yard of the Month award for August, 2020!

The Evans Yard of the Month program seeks to positively recognize residents who take pride in their homes and their communities. One winner is selected by Neighborhood Services staff each month during the growing season for displaying exemplary property maintenance and receives a yard sign and a \$50 gift Card to Happy Life Gardens.

If you would like to nominate a neighbor for Yard of the Month you can do so in the Neighborhood Services section of the City's website at: [www.evanscolorado.gov](http://www.evanscolorado.gov).

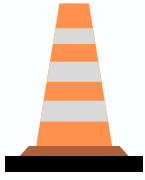

## DID YOU KNOW...

...that you can find a list of common violations to avoid on the City of Evans website? Simply go to the Code Enforcement section of the Neighborhood Services page to make sure you stay in compliance of residential City regulations:

# EVANS STREET REPORT

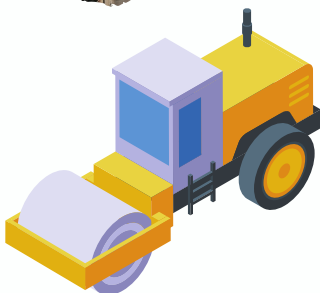

## Several High-Profile Road Repair Projects Poised to Break Ground in the Fall

**COMING SOON**

It's the street maintenance project Evans' residents have had their eye on for several years: 37th Street will undergo the first phase of resurfacing in the fall of 2020. The project will take place between 23rd Avenue, east to the railroad tracks adjacent to Highway 85.

Residents can expect a new surface, sidewalks, curb, gutter, and ADA compliant ramps.

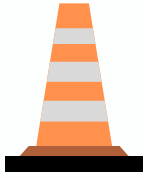

## 23rd Ave

**COMING SOON**

A new road will be constructed, as the western half of 23rd Avenue from 37th Street south to Quay Street will be transformed into a 2-lane arterial. The road will project will include the construction of curb and gutter, median curb and gutter along with a 12-inch waterline. The waterline work will improve the overall water distribution system in the area by providing another pipe to back feed areas when the water main breaks and a section of the water infrastructure need to be shut down for repairs. Some XCEL power poles will also be relocated to allow complete access to 37th Street. The City plans for this project to be completed by the end of 2020 providing an additional north-south connection between 37th Street and Prairieview Drive. This two-lane road improvement is the precursor to development along the west side of the road and for the ultimate 4-lane arterial road that will connect 37th Street with Prairieview Drive.

# EVANS STREET REPORT

## Street Nuggets

20 street light sensors were installed at six different intersections throughout the city. The sensors will improve traffic flow and increase safety at stoplights by accurately monitoring the traffic amount and frequency.

## 47th Avenue

**COMING SOON**

47th Avenue Widening construction broke ground in late August. The City will transform this vital thoroughfare into a 4-lane arterial that will alleviate traffic congestion between 31st and 37th Streets.

47th Avenue will be completed in two phases. The first phase will be done in 2020. The second pass is scheduled to begin in the spring of 2021.

The 2020 Asphalt Project wrapped up in August. The project featured:

- 239 Asphalt patches
- 80 utility manholes
- 68 storm sewer cleanout valve boxes
- 63 new sanitary sewer valve box risers with flange bases

# Come Workout Ready.

## Effective Immediately

Workout times **MUST** be reserved in advance
